Why?

During the past five years, through generous donations and the BHBO Golf Tournament fundraiser, hundreds of children have been able to attend the Isle of Hope Camp in Belarus. The camp is a secure place for children to learn about Christ, Christian principles, morals, hygiene and to promote their physical and social well being. BHBO, Inc. has also been able to sponsor other Christian camps for children from villages who cannot travel to the Isle of Hope Camp. Other timely donations helped support a Christian Youth Conference in 2010 which was a phenomenal outreach to over 1,000 teenagers needing the same type of help as the children mentioned above. Your support makes a difference in many lives.

Our goal this year is to focus on children and youth who cannot attend the Isle of Hope Camp, because of distance and available transportation. Such children can attend a week of "backyard" Bible Camps and/or outdoor tent camping. These camps will help more children/youth to learn about Christ, Christian principles, morals, hygiene and promote their physical and social well being. BHBO, Inc. also desires to help with another Youth Congress which continues to reach the teens in Belarus to further support the hope of Christ in their lives.

BACKGROUND

In 2003, the founders of BHBO, Inc. traveled to Belarus and visited several orphanages. God moved their hearts to do something. The orphanages of Belarus receive a great deal of humanitarian aide but little spiritual and moral support. The Bridge of Hope for Belarus and Others, Inc. (BHBO, Inc.) was formed to promote awareness of these children and provide hope, thus serving in God's Great Commission.

There is also an alarming number of children that just "exist" in homes in villages and cities, where the parents are alcohol dependent. It is not unusual to find out that such children do not have a bed or pillow to sleep upon. One of our partnering organizations visited a family where the girl had no toys and used a rag as a doll.

There are also children living in homes with good parents but are very poor and cannot afford to feed their children, much less send them to a summer camp.

BHBO, Inc. channels funds and other resources to the children through the local churches and Christian organizations in Belarus which work to support and expand this ministry.
